July, 2020

Greetings Fellow Henderson Business and Community Council (HBCC) Members,

This year has certainly been a challenge for all of us in the Henderson area. First the high water of last summer reduced our tourist visits. Now Covid-19 has shut down many of our Henderson businesses and community organizations. But summer is here and things are looking better.

I want to assure you that the HBCC is doing all we can to promote our Henderson businesses and community organizations. We continue to maintain and improve our website ([visithendersonharbor.com](http://visithendersonharbor.com)) and work to promote the members that are on Facebook. Please visit our website and see what's new. If you are on Facebook, check us out here: [@visithendersonharbor](https://www.facebook.com/visithendersonharbor) and be sure to let us know if we are missing you on Facebook. The HBCC continues to encourage local events to bring business to Henderson. July 25<sup>th</sup> will be this year's Christmas in July celebration. It will begin with a classic car parade and drive-in through the Harbor at 3pm. Our final fishing derby will be held August 27-30. We also continue to work with the 1000 Island Tourism Council to promote Henderson.

Because of the difficult business and social climate we face this year the HBCC has decided to waive the membership fee for our present members. Please understand that we still plan to move forward and work hard for Henderson under the leadership of our new president, Dwight Davidson.

In these difficult times we ask that you stay safe, stay healthy, and continue to promote Henderson.

Kindest regards to you all,

Dean Witmer

Past President

Henderson Business and Community Council
